Dear Honorable Mayor, Councillors and all residents of Rocky Mountain House,

Due to unavoidable changes in my company's contract work area, I am required to work away from Rocky Mountain House for extended periods of time. This situation has made it extremely difficult to govern in the capacity necessary to effectively perform my council duties. Effective immediately, I am resigning from my elected position on Rocky Mountain House council.

It has been an absolute pleasure and a privilege to have been a part of such a professional, diverse, collaborative, creative team of individuals, who humbly perform their duties with integrity, hard work, honesty, and absolute scrutiny. The office staff and all of the heads of departments will also be greatly missed for their kindness, patience, and attention to detail.

So I leave this position with a sense of sadness and loss, but also I am grateful for the opportunity to have worked with all of the incredible people who have filled the council chambers during my time on council. We come together with our differences, and out of respect for each individual's opinion, we are able to debate topics and issues without anger or contempt. I feel we have created an effective team on the political front in both town and county, along with provincial and federal governments.

Yours Sincerely

Scott Collinson
