Other items of notes

Council will take part in [Purple Light Nights](#) through the month of November, to raise awareness of family and domestic violence. Council has asked administration to light up part of the [Christenson Sports and Wellness Centre](#) exterior with purple lighting.

The Town of Rocky Mountain House will apply for a grant from the Alberta Beverage Container Recycling Council. Based on preliminary results of the 2019 waste audit, Councillors learned that Rocky Mountain House residents throw a large number of recyclable beverage containers in the trash. Council hopes the grant, if successful, will help residents curb that habit.
