

The Town of Rocky Mountain House Invites You to Attend the Community Services and Community Facilities Needs Assessment Review Open House

A draft of the Community Services and Community Facilities Needs Study is now complete. The draft Study is meant to guide the future provision of community parks, facilities and programs throughout the Town.

The draft Study will be presented for public review and comment on the evening of Thursday, June 18 from 6pm-9pm in Council Chambers at the Town Hall at 5116-50th Avenue. There will be display information available to review and a formal presentation of the draft Study will be hosted at 7:00pm. Attendees will be asked to complete a feedback questionnaire upon conclusion of the presentation and question & answer period.

For those residents who would like to provide comment but are unable to attend on June 18, 2009, a copy of the draft Study as well as the feedback form can be found on the Town of Rocky Mountain House website (www.rockymtnhouse.com). Feel free to review the draft Study and then provide your feedback via the instructions found on the feedback form. If you do not have access to the internet and require a hard copy, please contact Todd Becker at the Town Office at 403.845.2866 during normal business hours. Feedback will be accepted until Friday July 3, 2009.

Once feedback is received and compiled, a final Study document will be created and presented to Town Council for approval.

Please come and take part in this vital part of the study process and let us know your opinions!

Anyone requiring more information about this project can call Todd Becker at 403.845.2866 during day time hours.
