

knowledge connector

KnowledgeConnector is Alberta's largest hub for connecting the nonprofit/voluntary sector with critical learning opportunities. Managed by Volunteer Alberta, KnowledgeConnector **helps Alberta's nonprofit/voluntary sector organizations attract and train the best and brightest to work with Alberta's communities**

- KnowledgeConnector **Alberta's nonprofit sector leaders with learning providers and opportunities**
- Help your organization assess its goals, its resources, ways of enhancing its capacity, and its ability to support your community.
- KnowledgeConnector helps **you determine the knowledge you need and identifies opportunities to build strong leadership**
- The website offers a "one-stop shop" for learning opportunities. Through a **searchable listing**, organizations and individuals can find targeted learning opportunities in-line with their specific interests, needs and training objectives.
- Opportunities found through KnowledgeConnector are delivered in a number of ways – **in person, online, or through video conferencing**

Visit KnowledgeConnector.ca to browse learning opportunities, begin your leadership assessment, or connect with leadership activities in your area. Need guidance? Contact one of KnowledgeConnector's Regional Capacity Coordinators. There's one close to your community.

Funded by the Rural Alberta Development Fund and managed by Volunteer Alberta, this project – created by the provinces nonprofit sector leaders and visionaries – invests in the communities of Alberta.
