## **VOLUNTEERS ALWAYS WELCOME!**

**Do you have time, ideas, skills or knowledge  
that you are willing to share with others?**

*Volunteers play a vital role in helping the library bring quality programs and services to our community. As the library grows and expands, so does the need for enthusiastic, committed, caring volunteers. Volunteers have the opportunity to experience on the job training, learn new skills or share existing skills with staff, develop job references for future employment and gain personal satisfaction while performing a valuable service for the community.*

### **Volunteers are needed in the following areas:**

- \*General library tasks such as shelving books.
- \*Helping with special events, clubs or programs.
- \*Offering to share a special skill or interest with others.
- \*Join the Friends of the Library Society

*The Rocky Public Library has revived the Friends of the Rocky Library Society. A group of dedicated volunteers has begun to plan activities that will promote the library within the community. Members will be involved with special projects and fundraising to support the library in a variety of ways.*
