

# Do YOU have Policing concerns in your Area of Clearwater County or the Town of Rocky?

The Clearwater Community Policing Advisory Committee (CCPAC) is a local committee set up to bring together various groups within our community with the local enforcement agencies operating in the Town of Rocky and Clearwater County. (RCMP, Peace Officers, SRD)

Our goal is to target and reduce issues that are may be having a negative effect on our community.

## **WE NEED YOUR HELP IN IDENTIFYING ISSUES THAT ARE CONCERNING TO YOU.**

Is there something happening in your community that you feel should be addressed by an enforcement agency?

Where should we be focusing our efforts?

We will compile all the concerns we receive from you, this will let us identify the most common and serious issues brought forward.

In an effort to be effective in our goal, we will target a few issues and focus our attention on reducing or eliminating these issues.

Once we have succeeded in accomplishing this goal, we will identify other areas of concern and begin targeting new issues.

## **YOU TELL US WHAT OUR GOALS SHOULD BE**

Please forward any issues you would like included on our list to:

Todd Hicking – CCPAC Chairman

Todd.Hicking@huskyenergy.com or by phone at 403 845 8524 (work)

We will be setting our target issues soon, so please submit your areas of concern to Todd Hicking before March 9, 2010 in order to have them included on this spring's list.
