

**Rocky Mountain House Community Sustainability Initiative
OPEN HOUSE to Review the DRAFT PLAN**

- Tuesday, March 9, 2010 -

Community members are invited to attend an open house on Tuesday, March 9 to share your thoughts on the Draft Rocky Mountain House Community Sustainability Plan. Much input has gone into the Draft Plan and the Steering Committee is seeking your help to review it and make suggestions about where we should start.

The Community Sustainability Plan looks at how the Rocky Mountain House community can become more sustainable over the next 25 years. This means balancing our aspirations with the impacts we have on the natural environment, our local economy and our ability to meet the needs of community members.
