

Friends of the Library Volunteers Needed

The Rocky Mountain House Public Library needs volunteers! The library is looking to recruit energetic and committed volunteers for the Friends of the Rocky Library Society group. If you have the motivation, why not consider volunteering as an organizational leader?

The library board is appealing to the community for enthusiastic people to be part of the Friends of the Rocky Library Society to assist with special projects and fundraising.

The Friends of the Rocky Library Society was established to promote the library within the community. Volunteers are needed to form the executive for the Friends group. Once the executive is established, volunteers will be recruited to commit their time on a regular basis or have their name added to a list to be called in as needed.

Volunteers play a vital role in helping the library bring quality programs and services to the community. As the library grows and expands, so does the need for enthusiastic, committed, caring volunteers. Volunteers have the opportunity to experience on the job training, learn new skills or share existing skills with staff, develop job references for future employment and gain personal satisfaction while performing valuable service for the community

If you are interested in donating your time in any capacity to a very worthwhile cause, please contact the library at 403 845-2042.

Karen Paquette is the Library Manager and can be contacted at karen.armh@telus.net.
